EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be

5 submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Christopher Palermo on 29 October 2004. The application has been amended as follows:

Claim 35, line 3 states "menas". This is a typo and should be changed to --
10 means--.

Claim 36, the status of the claim currently reads "(Previously presented)". This should be changed to --(Currently amended)--.

Allowable Subject Matter

15 The following is an examiner's statement of reasons for allowance: Claims 1-19, 21, 23-33, and 35-37 are allowable because the prior art of record fails to teach, in combination with other claim limitations, "the excess number of duplicate
acknowledgements is a number that is determined based upon a difference between a
count of consecutive duplicate acknowledgement packets and the number of co-
20 acknowledged packets".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the
5 examiner should be directed to Joshua Kading whose telephone number is (571) 272-3070. The examiner can normally be reached on M-F: 8:30AM-5PM.
